**Classroom Management: Building a
Restorative Community**

Presented by NJEA, Hosted by BCEA IPD Committee

Restorative justice isn't just a technique or tactic. It's a paradigm shift in the way schools think about discipline that asks educators to fundamentally challenge their perceptions and enhance relationships. This is an introduction to the practices of Restorative Justice in Education with the objective of building a stronger classroom community.

Wednesday, October 20th 4:30 – 5:30pm
