## **INSTRUCTIONAL AND PROFESSIONAL DEVELOPMENT COMMITTEE**

# **Open Google Forum: Collaborative Practices for Teachers and ESPs**

Google Open Forum is an opportunity for participants to ask and answer all their burning questions about using google tools in the classroom. This session is designed so NJEA google experts can walk participants through the steps to answer questions as well as facilitate conversations between members. Google open forum is a unique experience every time. It is highly recommended that participants bring a laptop or Chromebook. Mobile devices will result in a diminished experience.

**Wednesday, February 16th 4:30 – 5:30pm**
